ARTICLE V MEMBERSHIP AND VOTING RIGHTS

Section 1: Membership. Every Owner, either of a fee or undivided interest, of a Lot, which is subject to assessment by the Association, shall be a Member of the Association. Section 2: Voting Rights. There shall be two Classes of Members.

(a) Class A members shall be all of those owners of lots, with the exception of Developer, in Ironbridge subdivision. Each Class A member shall be entitled to one vote for each lot the member owns. If more than one person holds such an interest in any lot, all such persons shall be members, however, the vote for such lot shall be exercised as such members among themselves agree and if they do not agree, as determined by the Association; but in no event shall more than one vote be cast with respect to any such lot.

(b) The Class B member shall be the Developer, Ironbridge, L.L.C. and its successors and assigns. The Class B member shall be entitled to the total number of votes which, when added to the total number of Class A votes shall equal 60% of the total votes entitled to be cast by the Class A and Class B members together. As an example, if there are 28 Class A votes entitled to be cast, the Class B votes would equal 42.

Section 3: Management Rights. Members shall have no rights to manage the business affairs of the Association. The management of the Association is vested entirely in the Board of Directors as set forth in the Articles of Incorporation and By-Laws.

ARTICLE VI COVENANT FOR ASSESSMENTS

Section 1: Creation of the Lien and Personal Obligations of Assessments. Each Lot shall be subject to assessments and each Class A Member by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Annual assessments; (2) Special assessments; (3) Initial assessment; and (4) Limited Common Element Assessments; (5) Trash service assessments; such assessments to be established and collected by the Board as hereinafter provided. The annual, special, initial, limited common element and trash service assessments, together with interest, costs and reasonable attorneys' fees, shall, to the full extent permitted by law, be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property on the effective date of the assessment. No Owner may exempt himself from liability for an assessment by waiver of the use or enjoyment of the Common Area or a service to be provided by or through the Association. The personal obligation for delinquent assessments shall not pass to his successors in title, but, nevertheless, the lien arising by reason of such assessment shall continue to be a charge and lien upon the land as provided herein.

Section 2: Developer Assessments. The Developer is a Class B Member and is not obligated to pay any assessments, except, the Developer shall pay any deficit in the operation of the Association prior to December 31, 2000, and shall pay special assessments and limited common element assessments,

Section 3: Annual Assessments. The annual assessments shall be used for the purpose of paying the Common Expenses. The Class A Members shall be obligated to pay the annual assessment imposed by the Board to meet the Common Expenses.

(a) The initial annual assessment shall be for 1997 and shall be Three Hundred Dollars (\$300) per Class A Member.

(b) After 1997, the annual assessment may be increased each year, without a vote of the Members, not more than fifteen (15%) percent above the assessment established for the previous year. After December 31, 2000, in the event that the annual assessment is not sufficient to pay for the Common Expenses, an additional assessment will be made solely for the purpose of paying the Common Expenses.

Section 4: Special Assessment for Capital Improvements. In addition to the annual assessments in Section 3 above, the Association may levy in any calendar year a special assessment. The purpose of the special assessment shall be for providing in whole or in part, for the cost of any reconstruction, repair or replacement of capital improvements in the Common Area, including fixtures and personal property related thereto. The maximum special assessment shall be Five Hundred and No/100 (\$500.00) dollars per year, per lot for Class A and Class B Members. Any special assessment shall require an affirmative vote of the majority of the Members.

Section 5: Initial Assessment. The purpose of the initial assessment is to reimburse the Developer for the Developer's subsidy of the Association's operating deficit and to repay a portion of Developer's cost of the swimming pool, tennis courts, and other amenities in the Common Area. All Class A Members shall pay an initial assessment of \$500 per lot. This assessment shall be paid by each Member to the Association when the residence is first occupied. Upon the resale of the Members' home, no further initial assessment shall be due if the initial assessment has been paid. Upon collection of the initial assessment, the Association shall pay the assessment to the Developer. This \$500 assessment is \$500 per lot, not per Member. If a Member purchases more than one lot and is the first occupant of each lot, the initial assessment shall be paid upon occupancy of each residence.

Section 6: Limited Common Element Assessment. The purpose of the limited common element assessment is to pay the Limited Common Element Expenses. In addition to the other assessments, each Class A and Class B Member whose Lot is adjacent to a private street designated by the Developer as the Limited Common Elements shall pay his pro rata share of the Limited Common Expenses. The pro rata share shall be determined by dividing the Limited Common Expenses by the number of Lots adjacent to the Limited Common Elements. Thus, if there are 40 Lots within the gated area of private streets which is the Limited Common Elements, each Class A and Class B owner would pay 1/40th of the limited common area assessment.

Section 7: Trash Service Assessment. The trash service assessment shall be the amount which the Association pays a trash service provider for the annual trash service for a resident. Resident Owners shall pay the annual trash service fee in the same manner as the annual dues, with the service prorated beginning with the date the home is occupied.

Section 8: Payment of Assessment. Payment of any assessment shall be made by the owner within 30 days of notice of the amount of the assessment, unless another payment date is specified in the notice, and unless expressly otherwise determined, shall be due in advance of the time when the expenses are payable. Written notice of the assessment shall be sent to every Owner, however failure to give notice shall not be deemed to relieve the Owner of the obligation to pay the assessment.

Section 9: Excess Assessments. Any assessment which exceeds the expense for which it was received shall be retained by the Association for the benefit of its Members, and may be used by the Association to pay future expenses, or as the Association may otherwise determine.

Section 10: City of Springfield Assessment. Notwithstanding any limitations or provisions of this Article to the contrary, if Common Area or common improvements fall into a state of disrepair, or become a nuisance within the meaning of any provision of the Springfield City Code, officials of the City of Springfield may abate the disrepair or nuisance, after notice to the Association or its last registered agent, in that same manner and according to the same procedures that apply to abatement of nuisances, Chapter 24 of the City Code. The cost of such maintenance or abatement may be assessed by the City in the same manner as assessments levied by the Association, and the same shall be a levy and a personal liability, to the same extent as other assessments under this Article.

Section 11: Date of Commencement of Annual Assessments.

The annual assessments for each Lot provided for herein shall commence on January 1, 1997 and thereafter shall commence on the date of the first conveyance of said Lot by the Developer to an Owner. The first annual assessment for each lot shall be prorated based on the date it is sold by the Developer.

Section 12: Effect of Nonpayment of Assessments; Remedies of the Association. Each member shall be deemed to covenant and agree to pay to the Association the assessments provided for herein, and each agrees to the enforcement of the assessments in the manner herein specified. In the event the Association employs an attorney or attorneys for collection of any assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, or for any other purpose in connection with the breach of this Declaration, each Owner agrees to pay all expenses, including costs of collection and reasonable attorneys' fees incurred, together with such late charges as provided by the Rules, in addition to any other amounts due or any other relief or remedy obtained against said Owner. In the event of a default in payment of any such assessment when due, the assessment shall be deemed delinquent, and shall bear interest at the rate of eighteen (18%) percent per annum, and in addition to any other remedies herein or by law provided, the Association may enforce each such obligation in any manner provided by law or in equity, or, without any limitation by the foregoing, by either or both of the following procedures.

(a) Enforcement by Suit.

(1) The Board may cause a suit at law to be commenced and maintained in the name of the Association against any Owner to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon at the rate of eighteen (18%) percent per annum from the date of delinquency, court costs, costs of collection, and reasonable attorneys' fees in such amount as the court may adjudge against the delinquent Owner.

(2) The Board hereby appoints the Developer as its attorney in fact to collect any initial assessment whether by suit or otherwise on behalf of the Association and in the same manner and with all the rights and powers granted to the Association herein, and to retain the initial assessment, together with interest, costs of collection, and reasonable attorneys' fees as provided herein.

(b) Enforcement by Lien. There is, to the full extent permitted by law, hereby created a claim of lien, with power of

sale, on each and every Lot within Ironbridge to secure payment to the Association of any and all assessments levied against any and all Owners of such Lots under these Covenants, Conditions, and Restrictions, together with interest thereon at the rate of eighteen (18%) percent per annum from the date of delinquency, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. At any time within thirty (30) days after the occurrence of any default in the payment of any such assessment, the Association or any authorized representative, shall mail a written demand for payment to the defaulting Owner, on behalf of the Association. Said demand shall state the date and the amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien or a lien, but any number of defaults may be included within a single demand or claim or lien. If such delinquency is not paid within ten (10) days after delivery of such demand, or even without such a written demand being made, the Association may elect to file such a claim or lien on behalf of the Association against the Lot of the defaulting Owner. Such a claim of lien shall be executed and acknowledged by any officer of the Association, and shall contain substantially the following information:

- (1) The name of the delinquent Owner;
- (2) The legal description or street address of the Lot against which claim of lien is made;
- (3) The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs, and reasonable attorneys' fees;
- (4) That the claim of lien is made by the Association pursuant to the Ironbridge Declaration; and
- (5) That a lien is claimed against said Lot in an amount equal to the amount stated.

Upon recordation of a duly executed original or copy of such a claim or lien, the lien claimed thereon shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such assessment was levied. Such a lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien thereof. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a deed of trust, with a power of sale, as set forth by the laws of the State of Missouri, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of the Members. The Association may acquire, hold, lease, mortgage, and convey any such Lot. In the

event such foreclosure is by action in court, reasonable attorneys' fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the Association to the extent permitted by law. Each Owner, by becoming an Owner in Ironbridge, hereby expressly waives any objection to the enforcement and foreclosure of this lien in this manner.

(c) Lien Preparation and Filing Fee. In addition to the other fees and expenses owed by the defaulting Owner as provided herein, the defaulting Owner shall pay a lien preparation fee in the amount of \$100.00, and if the lien is subsequently released, an additional lien release preparation fee of \$50.00, together with all costs incurred by the Association with regard to said lien.

Section 13. Subordination of the Lien to Mortgages. The lien for the assessment provided for herein shall be subordinate to the lien of any prior mortgage. Sale or transfer of any Lot shall not relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such foreclosure.

ARTICLE VII ARCHITECTURAL CONTROL

Section 1: Improvements. No residence, accessory building, tennis court, swimming pool, fence, mailbox, driveway, retaining wall or other wall, dog pen, dog house, lot drainage works, awning, exterior area lighting or other structure or improvement shall be constructed or maintained upon any Lot, and no alteration to the exterior of a structure or improvement shall be undertaken, unless complete plans, specifications and plot plans thereof showing the exterior design, height, building material and color scheme thereof, the location of the structure on the Lot plotted horizontally and vertically, the location of driveways and fencing, shall have been submitted to and approved in writing by the Architectural Committee. Section 4: Members of Committee. The Architectural Committee shall consist of three (3) Members appointed by the Board of Directors of the Association. Members of the Committee are not required to be Owners.

The Association shall select a company for weekly trash disposal service for Ironbridge. All residents of Ironbridge shall be required to use this company and no other regular trash disposal service shall be permitted. One trash company collecting trash in similar containers on the same day or days of the week is an integral feature of the harmony and aesthetics of Ironbridge. In no event shall such containers be maintained so as to be Visible From Neighboring Property except to make the same available for collection and then, only for the shortest time reasonably necessary to effect such collection.

All rubbish, trash, and garbage shall be removed from the Lots and shall not be allowed to accumulate thereon. No incinerators shall be kept or maintained on any Lot and no burning in the open will be permitted.

(a) An Owner, guest, invitee, licensee, tenant, lessee, family member, agent or employee thereof, may use such machinery or equipment as is usual and customary in connection with the use and maintenance of a Lot, or the improvements thereon.

(b) A builder or contractor constructing improvements for an owner may use such machinery or equipment as is usual and customary in connection with the construction of improvements on a Lot, provided that such machinery and equipment is actively being used by the builder or contractor and is stored or placed in an area approved by the Architectural Committee and that no trucks of any kind or nature shall be kept, parked or placed upon any lot or street (public or private) within Ironbridge between the hours of 12:00 midnight and 5:00 A.M., unless permission to the contrary is temporarily granted by the Architectural Committee.

(c) The Developer or the Association may park, place, operate or maintain such machinery and equipment as may be required for the operation and maintenance of the Common Area.

Section 15: Restriction on Further Subdivision. No Lot within Ironbridge shall be further subdivided by any Owner, and no portion less than all of any such Lot, nor any easement or other interest therein, shall be conveyed or transferred by an Owner, without the prior written approval of the Developer. This provision shall not, in any way, limit Developer from subdividing any property owned by Developer. Such newly created parcel

thereafter shall be considered as one Lot, but may be considered as more than one Lot for assessment purposes as determined by the Association.

Section 16: Signs. No sign of any kind shall be displayed to the public view of any Lot except as follows and subject to the approval of the Architectural Committee:

(a) One sign of not more than five (5) square feet, advertising the property for sale or rent;

(b) Signs used by a builder to advertise the property during the construction and sales period;

(c) Signs of such shape, size and location as the Developer deems necessary for security control and to advertise Ironbridge;

Section 18: Building Location.

(a) No building shall be located nearer to any lot line than the minimum set back line shown on the recorded plat of Ironbridge.

(b) The building location (horizontal and vertical) must be approved by the Architectural Committee.

Section 19: Fences.

(a) Fences are not encouraged, but properly constructed and installed fences may be approved for construction by the Architectural Committee upon submission of plans and specifications.

(b) Chain link fences are not permitted, except for the tennis courts in the Common Area.

(c) Privacy fences may not exceed forty-eight (48) inches in height. However, any lot which adjoins another subdivision, a water detention area, or Weaver Road may, with the approval of the Architectural Committee, have a privacy fence which shall not exceed seventy-two (72) inches on the lot line between Ironbridge and the other subdivision, the detention area, or Weaver Road.

(d) No fences in Ironbridge shall extend nearer to the front wall of a house than fifty percent (50%) of the distance of the house on each side. Supporting structures on all fences shall be placed on the side of the fence facing the property of the owner building the fence. On corner lots the fence may extend from the house toward the street a maximum of five (5) feet.

(e) No fence or hedge shall be permitted between the front wall of the structure and the adjoining street or across the front yard.

(f) On Lots where the Architectural Committee has approved a swimming pool, and the Springfield City Ordinance or the Greene County Ordinance requires a fence that exceeds 48 inches in height, the height required by the appropriate City or County Ordinance shall govern, and the height restriction in Article VIII, Section 19(c) shall not apply. Notwithstanding the change in height caused by the City or County Ordinance, the fence shall be subject to all other requirements and approvals herein.

Section 20: Sales and Construction Office. Notwithstanding anything herein, Developer and its agents may establish temporary sales and/or construction offices and model homes in Ironbridge and may permit builders and realtors to establish the same. Any such office shall be removed upon the completion of the subdivision. Developer and its agents shall have the right to use the Common Area in conjunction with the sales and promotion of lots and houses in Ironbridge.

Section 21: Easements. Easements are reserved as shown upon the recorded plats of Ironbridge, as determined by Developer.

Section 22: Soil Removal. Soil shall not be removed from the subdivision without the consent of the Developer.

Section 23: Garage Doors. The doors of all garages shall be kept closed at all times except when necessary for ingress and egress. The doors of all garages shall be installed with electric or battery powered opening and closing devices.

Section 24: Window Coverings. No reflective materials, including, but without limitation, aluminum foil, reflective

screens or glass, mirrors or similar type items, shall be installed or placed on the outside or inside of any windows of a structure without the prior written approval of the Architectural Committee. Any enclosures, drapes, bars, blinds, shades, screens or other items affecting the exterior appearance of a structure which in the judgment of the Architectural Committee detracts from the harmonious appearance and aesthetics of Ironbridge will be a violation of this Declaration.

Section 25: Basketball Goals. No basketball goals shall be attached to the front of any dwelling or garage nor erected in any front yard or on the side of any street which abuts any corner lot. Portable goals may not be used in driveways.

Section 26: Outside Lighting. Spotlights, floodlights, or similar type high intensity lighting shall be designed, located and constructed so as to eliminate or significantly reduce glare on adjoining residences, and the Architectural Committee may direct that they be redesigned or eliminated if they determine that it is advisable. Other types of low intensity lighting which do not disturb the Owners or other occupants of the properties may be allowed.

Section 27: Mailboxes. Each Owner shall construct a mailbox which shall be completed prior to occupying the residence. The mailbox shall be of the design, materials and specifications approved by the Architectural Committee. The mailbox is considered an integral part of the design guidelines, even though the mailbox may be placed on public right of way.

Section 28: Roofs. All roofs shall have an exterior surface which shall be approved by the Architectural Committee, in its sole and absolute discretion.

Section 29: Completion. A structure shall be completed within a reasonable time after commencement of construction. In the event of fire, windstorm, or other damage, a structure shall be repaired, remodeled, rebuilt or completely removed within a reasonable time.

Section 30: Common Area. Although Builders are also Owners, the recreation facilities in the Common Area are not for Builder's use or their family's use, unless they live in Ironbridge.

Section 31: Developer Exemption. Notwithstanding anything contained in this Declaration to the contrary, none of the restrictions contained in this Declaration shall be construed or deemed to limit or prohibit any act of Developer, its employees, agents and subcontractors or parties designated by them in connection with any construction, completion, sale or leasing of any portion of Ironbridge.

Section 32: Remedies.

(a) In the event that an Owner (or guest, invitee, licensee, tenant, lessee, family member, builder, contractor, subcontractor, agent or employee thereof), shall violate, or permit to be violated, any of the provisions set forth in this Article, the Board shall mail to said Owner a written Notice of Violation. Said Notice of Violation shall set forth the nature of the alleged violation and shall request that the violation be voluntarily terminated or remedied within a reasonable time from the mailing date of said Notice.

(b) If after a reasonable time has elapsed from the date of said Notice, the violation has not been voluntarily terminated by the Owner, the Association shall have the authority to pursue and effect any and all procedures which may be calculated as reasonably necessary to remove and/or terminate the cause of said violation. This authority shall include, but shall not be limited to, the power to employ laborers to enter upon the premises of said Owner for the purpose of removing and/or terminating the cause of said violation. If, by virtue of the exercise of the authority granted herein, the Board shall incur expenses in connection with the process of removing and/or terminating said violation, the Association may enforce collection of same in the same manner as if such costs were an assessment and shall have all powers and rights to so collect as set forth in Article VI, Section 12.

The Association shall give notice to the Owner as provided in (a) above which shall state the date the fine shall begin, if the violation is not terminated. All fines imposed pursuant to this paragraph shall be secured by a lien encumbering such Lot in the same manner as the lien provided for in Article VI, Section 12.

(e) For purposes of administering this Section, the determination of whether a violation has been, or is being, committed and the determination of what time period constitutes a "reasonable time" allowable for voluntary termination of the same, shall be made by the Association after taking into consideration the facts and circumstances surrounding the particular violative situation, condition or occurrence.

ARTICLE IX

The Board shall be the sole judge as to the appropriate maintenance of all grounds within the Common Area and Limited Common Elements.

Section 2: Damage or Destruction of Common Area or Limited Common Elements by Owners. In the event any Common Area or Limited Common Elements is wilfully or maliciously damaged or destroyed by an Owner or any of his guests, tenants, licensees, agents or members of his family, such Owner does hereby authorize the Association to repair said damaged area, and the Association, at its option, shall so repair said damaged area. The cost for such repairs, multiplied by 125%, shall be paid by said Owner, upon demand, to the Association and the Association may enforce collection of same in the same manner as if such costs were an assessment and shall have all powers and rights to so collect as set forth in Article VI, Section 12.

Each Owner of a Lot shall file the correct mailing address of such Owner with the Association, and shall promptly notify the Association in writing of any subsequent change of address.

Section 8. Public Dedication. Nothing contained in this Declaration shall be deemed to constitute a dedication for public use or to create any rights in the general public. Nothing contained in the Declaration shall be construed as creating an obligation on the part of the City of Springfield or Greene County or any other governmental authority having jurisdiction over the Property and the Common Areas or Limited Common Elements to maintain, repair or replace any portion of the Property, the Common Areas or the appurtenances thereto.

Section 9. Entry Gates.
